

## PRESS RELEASE

---

September 16, 2022

### ENASP Conference 2022 focuses on „Perspective of Youth“

European Network of Agricultural Protection Systems (ENASP) is holding an international conference in Berlin on October 10 on “The Perspective of Youth”.

The Conference will focus on the following topics:

- **How can tomorrow’s farm managers be supported in meeting today’s challenges?**  
Ms. Anne-Kathrin Meister, Federation of German Rural Youth e. V.
- **Future issues in agricultural law: agriculture between food security and greening**  
Dr Anna-Lena Poppe, Chairwoman of the Young German Society for Agricultural Law
- **„Still Having Kids Despite the Job?”: Perspectives of Young Female Farmers on Pregnancy, Birth and Motherhood**  
Ms. Dagmar Wicklow, Associate Chair Sociology of Rural Areas, University of Göttingen
- **„Collapse of the Dutch Agricultural Miracle?”: Impact of the Green Deal Reform on aspects of One Health**  
Prof Dr Gert van der Laan, Chair ICOH Scientific Committee – Rural Health
- **Alternative business models in agriculture**  
Mr. Aldert van Weeren, WetlandProducts
- **Future Proof**  
Dr Hans Aubauer, General Director of Sozialversicherungsanstalt der Selbständigen (SVS)
- **Health status, health behaviors, and stresses of trainees in the green professions**  
Prof. Dr Manfred Betz, Technical University of Central Hessen  
Ms. Andrea Engemann, Sozialversicherung für Landwirtschaft, Forsten und Gartenbau (SVLFG)  
Ms. Nicole Wichmann, Sozialversicherung für Landwirtschaft, Forsten und Gartenbau (SVLFG)
